## Commercial Refrigeration Equipment Financing Solutions

### Financing That Works for You!

Heatcraft Worldwide Refrigeration, a leading provider of commercial refrigeration components and systems, recognizes the challenges of growing a company when operational expenses such as equipment, installation, and maintenance often mean large disbursements of cash.

Heatcraft now offers the financial flexibility to grow your company through **Heatcraft Commercial Finance**.

**What if you could** bundle everything you need, including new energy efficient commercial refrigeration equipment, control systems, installation services, maintenance programs and extended warranties, into a convenient and affordable monthly payment in less than 2 – 6 business hours?

Heatcraft Commercial Finance provides greater financial convenience with custom-fit financing solutions to perfectly meet your company's purchasing needs.

*When you finance through Heatcraft Commercial Finance, you also get these additional benefits:*

- Financing for your entire commercial refrigeration purchase
  - \* equipment
  - \* installation
  - \* monitoring
  - \* maintenance programs
- Deferred and structured payments to assist with financial planning and budgeting
- Tax incentives and rebates that you may qualify for when you finance/lease your purchase
- Easy, streamlined application process
- Fast approval process, with most decisions made within 2 – 6 business hours

*Contact Heatcraft Commercial Finance today to learn more about financing options that work best for your short-term needs and long-term plans.*
